Yeah, but for Havoc's name and some of the others I need a space or else it's one big word which would probably be more confusing I would think. I will try and do stuff without spaces next time then ok. I can think of alot more questions, but I'm trying to come up with some for new players to the game, cause this one was pretty hard for my brother and dad, I had to give them 3/4 of the answers.
