I have Blazer's edit of the TS conversation. I downloaded it from n00bstories I think. If Blazer or Crimson don't host it anymore, PM me and I can email it to you if you want.

We should sticky lists of things like this. ACK's reply by DJlaptop and the "All your base belongs to us" flash would be good to have links to. I think there is even a Flash of ACK's reply somewhere I think. The RG jokes were a hoot as well..."RG saved me 15% on my car insurance"...Instant classic!

Funny stuff.
