I was just playing on a1lpits and killed an sbh and something banned me, saying I was banned because of an sbh cheat. I have never cheated and have no idea why it thought i did, but now I am banned from loads of servers.

You can ask folks like goodguy34 or most folks on bcserv5 or baja02 - I do not cheat.

I was using a gdi soldier and killed this sbh that just stood there.
