Havocmana french couple in my town there car, was flipped, bashed in, and set a blaze. belive it or not, some of the police at the coulpes house blamed them for doing it them selfs and blamming the people on there strreet.

well,
i can't really say that they didn't deserve it.

:rolleyes: C'mon now.

No one deserves that regardless of thier views on this war. People who do that are on the same level as Saadaam. The very reason we're over there, is to prevent random evil like what you are talking about. Why should they live in fear?

I hope you are man enough to go over there, and see what you can do for them.
