Rex wakes up at his office.

* Rex thinks: "OMG! It was all a dream!"

UPS Guy: Mr. Perkins?

Rex: No, he's in the next cubicle.

UPS Guy: Oh, I had some muffins here and ...-

Rex: Oh! Yeah! That's me!!!

UPS Guy: Here you go. *pause while he signs it* You know, my momma always used to say that life was like a box o' chocolates...

Rex: So?

UPS Guy: I'll just go now.

Rex: What are you waiting for?

* Rex starts eating muffins like there was no tomorrow. Sound of phone ringing in next cubicle.

DaveGMN: Who is this?... There's no Rex here... What the hell are you on about? Just a second...

* DaveGMN puts his head over the top of the cubicle.

DaveGMN: Any Rex over here?

Rex: Yeah, that's me!

DaveGMN: You didn't get the muffins I ordered, did you?

Rex: Hell no.

DaveGMN: Oh... OK. (Disappears again)

* Rex answers the phone.

Rex: Hello?

Barry: Hello, Rex. You *know * who this is.

Rex: God?

Barry: No...

Rex: Are you one of those telemarketing people?

Barry: No...

Rex: Mum?

Barry: Look, we don't have time for you to insult me any further. You can no longer await the black rabbit, Neo. They're coming.

Rex: Wha?

Barry: Are you frightened?

Rex: Hell yeah.

Barry: Not nearly frightened enough. I know what hunts you. Look at the elevator.

Rex: I don't see anyone, unless they're behind the three threatening looking guys in sunglasses that I dreamed off a few min ago.

Barry: My God you're annoying, don't you have a life?

Rex: Hell yeah.

Barry: Just go to the opposite cubicle.

Rex: But what if they-

Barry: I don't give a damn.

Rex: Oh, OK.

*Mysterious women comes round the corner.

Barry: Go to the office at the end of the hall.

Rex: OK.

* Rex crouches down and runs down towards the office.

UPS Guy: Run, Neo, run!

Rex: Shut the fuck up, UPS Guy!!!

* Rex reaches the office.

Barry: Now. Outside the window there is a scaffold.

Rex: OMG! How do you know all this?

Barry: That doesn't matter. Go on, up the scaffold, there's a good boy.

Rex: But I don't wanna...

Barry: I DON'T CARE!

Rex: Hmph. Why's everyone so mean to me?

Barry: I can't possibly imagine.

/me Rex climbs out of window and reaches scaffold.

Barry: Good job!

Rex: Well doh...

Barry: Now listen up! If you want to know what the m00trix is all about, come to the Javabridge at exactly 11 pm tonight.

Rex: Ok, I'll be there.

To be continued...

PS1: This story is totally 100% fiction. If I used your name, it doesn't mean I hate you or that you do cheat or whatever. It probably means I like you or that you perfectly fit in the role...

PS2: I needed some females, so if you are a male and I added you as a female and we have some x-rated scenes, don't take it personally...

(Under the Java bridge)

Rex: *running up to car* I'm.... here....

Twix: You're late.

Rex: I wanted to keep you all waiting to build up the tension.

Twix: :rolleyes: Get in.

Rex: Hell yeah! (getting in) Ok, tell me what is the m00trix!

Twix: (slamming door behind Rex) Dosmac, floor it!

The car drives away.

* Hids pulls out gun and points it at Rex.

* Rex is in shock: and battles internally over which question to ask first...

Rex: What is the m00trix?

Twix: I can't tell you that.

Rex: WHAT?

Hids: Take off your shirt.

Rex: YOU SAID YOU WOULD TELL ME WHAT THE m00TRIX IS!

Twix: Rex...

Rex: LIAR LIAR PANTS ON FIRE!!

Twix: Rex, you'll get to know what it is, later.

Rex: Oh OK.

Hids: Take off your shirt.

Rex: Wha?

Hids: Just do it.

Rex: Hell no.

* Rex opens the car door.

Twix: Rex, you have to trust me.

Rex: But you lied about the m00trix!

Twix: Yes, but-

Rex: But you lied about the m00trix!

Twix: Rex-

Rex: But you lied about the m00trix!

Twix: REX-

Rex: But you lied about the m00trix!

Twix: Rex, I SWEAR TO GOD-

Rex: But you lied about the m00trix!

Hids: PLEASE can I shoot him? PLEASE?

Twix: I'm tempted, Hids. I'm tempted.

Hids: It's either him or me!

Twix: Goddamn prophecy.... First you saddle me with Dante, and now... But Rex, you know that road. You know exactly where it ends.

Rex: Oh, it's one of THOSE roads.... :rolleyes:

[i]* Rex shuts car door again.[/b]

Rex: I don't wanna ruin my hair...

Hids: Take off your shirt.

Rex: OK.

Hids: And your jacket.

Rex:OK.

Hids: And your pants.

Dosmac: Switch!
Hids: Grrrrr... :twisted:
Twix: I'm going to allow this...
Rex: Hell no!
Hids: FINE then, just the shirt. (muttering) Damn...

[i]* Hids does weird thing and pulls out bug.

Rex: Wow, my mum always warned me that one day I'd find something living in there.....

(Pull up outside very dramatic looking building)

Rex: Dude! We're going on the 'Tower of Terror'?
Twix: No, Rex. This is just an apartment building.
Rex: It's freaky looking.

They go upstairs.

Rex: Why... couldn't... we... have.... taken... the... lift?
Twix: Cos then the Wachowski brothers couldn't have had a dramatic shot down the stairwell.
Rex: Fair enough.
Twix: Can I give you one piece of advice...
Rex: Hey, where did Hids and Dosmac go?
Twix: ... OK, two pieces of advice. ONE - don't try to understand everything, it's not the right time yet
Rex: Awww.
Twix: TWO - I can't remember what I was supposed to say... dammit, Hids told me to tell you...
Eh, what the hell, just be honest. He knows more than you could possibly imagine.
Rex: Hmmm... Ok, I guess.

(Go inside. Dramatic flash of lightning illuminates Morpheus)

Rex: AAAARGH!!!! ITS DRACULA!!!!
Twix: No it's not. This is Barry.
Rex: I thought we were going to see someone who has the m00hack?
Twix: Well, he has the m00hack.
Rex: Oh, yeah, SUUURE you did.
Barry: Rex, chill. Give me your phone.
Rex: Hell no!
Barry: Sorry. Force of hobbit. I mean habit! HABIT! What is with me always saying that?
Twix: Maybe its because you're always making us go into the m00trix so that you can see the Lord of the Rings...
Barry: Oh yeah... Anyway, Rex, have a seat.

* Rex sits down.

Barry: As you may have guessed, I am Barry-

Rex: Hey! You have a big gap in your teeth!

Barry:

Twix: *hits self on head* Be honest, but DON'T mention Barry's tooth gap...

Barry: Yes.

Rex: What? Its really big!

Barry: ...Don't you feel like Alice?

Rex: Alice who?

Barry: Alice in Wonderland.

Rex: Wonderland?

Barry: It's a book.

Rex: Book?

Barry: It's a book title. Alice in Wonderland. Don't you feel like Alice?

Rex: Why, what happened to this Alice Inwonderland?

Barry: OMG. why couldn't DANTE have been the one?

Twix: Don't know who I'd prefer, really.

Barry: You have the look of a man who accepts what he sees because he expects to wake up.

Rex: Well, no, cos I already pinched myself, but that doesn't always work, cos once I had this dream where I was surrounded by lotsa beautiful women, and I was like WHOA, must be dreaming, but pinching myself didn't work then...

Barry: Shut up.

Rex: Yessir.

Barry: You accept what you see because you expect to wake up.

Rex: Hell yeah.

Barry: Do you believe in fate?

Rex: Hell no.

Barry: Is this because you don't like to feel that you're not in control of your actions?

Rex: Hell yeah.

Barry: I know EX-ACT-LY what you mean.

Rex: Hell no.

Barry: Let me tell you why you're here. You're here because you know something. What you know you can't explain. Blah blah blah blah blah.

* Rex thinks: "OMG! I only wanted to cheat on Renegade, this story takes ages..."

Barry: .. Blah blah blah. Do you know what I'm talking about?

Rex: Hell no.

Barry: The m00trix.

Rex: Hell yeah.

Barry: Do you want to know what IT is?

Rex: Hell no.

Barry: OK, are you TRYING to piss me off?

Rex: Hell yeah.

Barry: You are just ANNOYING.

Rex: Go to hell.

Barry: Goddammit, the m00trix IS EVERYWHERE!!!!

Rex: .. What the hell?
Barry: It is in this very room.
Rex: IT IS??? (jumps to his feet and starts running around in circles)
Helphelphelphelphelphelp....
Barry: Rex, calm down...
Rex: Helphelphelphelphelp... WHY?
Barry: Calm down! It's just the world that has been pulled over your eyes to blind you from the truth.
Rex: Oh yeah, and that makes me feel better?
Barry: It's supposed to... You see it when you look out of your window-
Rex: What window? My apartment has no window.
Twix: YES IT DOES!!!!
Rex: FINE!!! Just thought it sounded more tragic...
Barry: You feel it when you go to work, when go to church, when you pay your taxes, blah blah blah...
Rex: Uh huh. Right. Hm. Where is it again?
Barry: Everywhere.
Rex: What, out there?
Barry: Even inside you.
Rex: What, in there?

* Rex bends over and starts talking to himself: "Hello... hello..."

Barry: Please stop it.
Rex: Oh, OK.
Barry: But I can't tell you what the m00trix is...
Rex: Then why the hell have you just been talking for about ten minutes straight?
Barry: Here, red pill or blue pill?
Rex: Uh... Can't I have what's behind door number two?
Barry: No.
Rex: Aw...
Barry: You take the blue pill, nothing happens, cos the pill is empty. You take the red pill, something cool will happen, cos the red pill has m00hack inside.

* Rex takes the red pill.

* Barry slaps Rex, the m00trix has you

Rex: Why did you do that for?
Barry: Oh, I was getting bored.

BAH! Joke or not, by brining up this bullshit he did, he gave cheat makers ideas, he is a fucking moron, and a fucking n00b, and a fucking cheater most likely. I dont want cheats in renegade, i dont want cheats in any games i play, stupid fucks like this guy just make them even stronger.
