i think all tha team players are noobs lol  
and i think its tha guy who sneaks in tha back door comando style that wins tha game 90% of tha time  
unless by some fluke u actually get a decent team  
(usually on a cold day in hell)  
curios bout other good players opinions lol

so i assume the first 1.....

If u point whore on vehicles with a sniper a team would just get an apc and rush into oblivion and  
with another tank they would come with 3 sbh/ 2 gunner.....
