Visit us in the support chat, and grab a test copy, and see if that fixes the problem.

when i close renguard, renegade is closing ,too!
thats not good, because it has problems with my pc, and then i want to close ONLY the renguard, please remove that programfunction

MatrixLegendwhen i close renguard, renegade is closing ,too!
thats not good, because it has problems with my pc, and then i want to close ONLY the renguard, please remove that programfunction

That's by design. You cannot close RenGuard, because it verifies that you are playing cheat free. If you close RenGuard, it will close your renegade instance as well.
