<http://www.rockstargames.com/reddeadrevolver/>

When i saw the commercials for this i wasnt impressed but check out the movies files on the site, the terrain maps are awsome. Lots of cool stuff in this game, i might actually buy this one instead of downloading it.....nevermind ill just download it.

yeah i relaized that it was the wrong forum. im not going to reply to is so the thread will die.

actually use abc, its much more stable and doesnt take up resources so much.

yahoo
abc bitorrent
