If you re-join a game, you can't access the PT.

You have to die first before you can.
I think this will be difficult to fix, but I hope you guys can fix it.

Well its not in "The List" ...
So ... Er.... Will it be added or what?

BTW something else:

Is it possible to change the color of the private messages to LIGHT BLUE, because the dark blue that we have now is almost unreadable!
