Hey its that n00b. Dont give him any alpha's/beta's. He will release them just like deadaim00 did. Kirby is the biggest n00b around this comunity. Also no reason to go off on Phoenix. You realize you arent getting shit now dont you? Not everyone spends 2 hours out of there day to read every new thread on these boards. :rolleyes:

Yea he sounds like a n00b.....

Or even worse... a fr00b.

And I don't think anyone should help this guy until he starts using "Please," "Thank you," and generally starts sucking up, because as I remember it, nobody here needs to take orders from you.

You didnt do anything ... He is a 3D modeler for renalert and if anything isnt a faggot. He Has more respect than most people for what he has done for the mod and community. He was just trying to be helpful.

Really - did you read what you posted?!?

I certainly think you were calling him a faggot.

A simple search will reveal many mods.... you shouldn't expect them to compile a list for your viewing pleasure - they have modding to do.

This kind of thread is just asking for trouble. :rolleyes:

Now, what would your mommy say if she heard/seen you talk like that? You should hold off on that 'language' until you finally reach puberty, you know, in a couple years...

(Oh, and I never posted a link to Reborn. :rolleyes: )

Yes, I read your incoherent babbling...

I could have read it and decided to post the two links to make fun of you, or I could have read the subject and part of your post and suggested the best mod that's currently out. Either way, your reply was completely uncalled for.

Kirby, STOP SPAMMING, seriously. First, you wouldn't STFU in the SWMOD forums and would NOT STOP BEGGING for our alpha, until you lost control and spammed the hell out of our forums and was banned. Now you're in every single forum in the god damn community begging for alphas/betas, which will get you absolutely NOWHERE. You are dumber than your brother, and you can't even defend yourself worth shit.
