Very good! Informative. Thanks for making this, only thing I notice, you have a scary voice... like you would be in the corner of some dark basement with some woman tied up and be like... Hello dear, how... *heavy breath* was your day... MWAHAHHAHAHAHAHA... rubbing your hands together MANIACALLY... lol

i made a tutorial for 3ds Max 6,
NeoX doesnt like my way of doing things, but hey its easy.

this is the easiest damn way to do it:
