I think the remixes for Fight Win Prevail and Great Shot were great. Too bad they were not used in Renegade.

As we're talking about Frank now..
I tried to ask him if he could voice a few clips for Commando in addition the the ones I have.
He said he's too busy at this time.

Quote:Hi there!
Sorry, but I cant accomadate that... working too much! hehe Thanks for writing though!

P.S. - You heard my Morphscape cd yet? (click "projects", then my name, then listen to cd clips) If you dig the C&C stuff you'll probably like it...

I'm working on a project for C&C Renegade and I wonder if you could do a few voice clips for Commando? Something like this?

<http://www.cannis.net/commando/heyyou1.mp3>

> (Gunboat Captain: Commando, this is Captain Suenzo of the GDI Gunboat Donelly. You're approaching an inland pool populated with Nod SAM sites, preventing our reinforcements from airdropping in. We could use your help, but you may alert Nod soldiers as you approach.)

> Commando: I'll consider the risk, Captain. (remark, positive)

>

> (Gunboat Captain: Good work! Reinforcements are on the way!)

> Commando: Yeah!? But whose reinforcements? (doubtful)
