..but how about this one?

<http://homepage.ntlworld.com/k.livingston/recon1.mpg>
^ right-click & save as.

This level (afghanistan) is the epitome of collision bugs. But it also has the most awesome drop down in any renegade level, ever, as you can see. Try taking that slope with an SSM launcher

lol
Talk about off-roading.

Ooh, I've got one too!

"I've heard of off-roading before, but this is rediculous!"
