Why not post this in the renguard forum, I think it would be better there than here.

You could make a universal banlist. Taking the banlists from fanmaps.com then go from there.

Tilly

It had already been done at our place:

(TWAServ2\_) TwADawg > ((ban) yoyoman31 - FINAL RENEGADE - 06/11/2004 04:26:06)

(TWAServ2\_) TwADawg > ((ban) oneneo001 - FINAL RENEGADE - 06/11/2004 04:27:38)

At the same time too...

Or, just play on RenGuarded servers and you don't have that problem.  
Simple.
