imacm: Anyway... your account has been suspended.

ATLjoker541: ....

ATLjoker541: why?

imacm: By decision of my co-host.

ATLjoker541: ...

ATLjoker541: What did I do

ATLjoker541: Why did he decide that

imacm: You have a history of © violations so he doesn't want you on our network.

ATLjoker541: ...

ATLjoker541: What the hell are you talking about

ATLjoker541: You dont even know me

ATLjoker541: lol

imacm: 1/2 of "Renegade ops" is a copyright violation as well as the Renalert thing.

ATLjoker541: Thats bullshit

ATLjoker541: and I dont have the renalert sub test

ATLjoker541: How is 1/2 of renegade ops a copyright violation....

ATLjoker541: that doesnt make any sense

imacm: You just sent it to me yesterday!

ATLjoker541: Send what

ATLjoker541: o

ATLjoker541: well

ATLjoker541: shhh

ATLjoker541: Nobody knows that

imacm: See? Blatant liar.

ATLjoker541: Dude

ATLjoker541: this is gay

imacm: It

imacm: It's purely business

ATLjoker541: Ya, and I am going to pay you, so whats the problem?

ATLjoker541: Fine, then rent it to my friend

imacm: You haven't lost any money, we don't want your money.

ATLjoker541: Can you rent it to ryan then  
imacm: Nor your friends.  
ATLjoker541: wtf  
ATLjoker541: thats bullshit man  
ATLjoker541: We set all this shit up  
ATLjoker541: I made a forum  
ATLjoker541: website  
ATLjoker541: everything else  
imacm: So? Find another host.  
imacm: <http://www.fr0zenhost.com/> has some good plans.  
ATLjoker541: Dude, you leaked dragonade  
ATLjoker541: and your not hosting me because 1/2 of renegade ops is copyrighten  
ATLjoker541: and thats not true  
ATLjoker541: name 1 thing  
ATLjoker541: that is copyrightne  
ATLjoker541: copyrighten  
ATLjoker541: Im waiting  
ATLjoker541: See, you cant name 1 thing  
imacm: The maps.  
ATLjoker541: Thoes are not copyrighten  
ATLjoker541: thoes are for the public  
ATLjoker541: <http://www.renmaps.com>  
imacm: Do you have written permission from the authors?  
ATLjoker541: so your saying that all copyrighten then  
ATLjoker541: Yes  
ATLjoker541: they gave public permission  
imacm: No, they didn't.  
imacm: The SWmod was also on their.  
ATLjoker541: Actually they did  
ATLjoker541: Ya  
ATLjoker541: who the fuck cares  
ATLjoker541: YOU LEAKED DRAGONADE  
ATLjoker541: that was copyrighten  
ATLjoker541: What does taht say  
imacm: That's not a copyright violation.  
imacm: Dragonade was illegal.  
imacm: It's reverse engineering.  
ATLjoker541: So what  
ATLjoker541: you leaked it  
ATLjoker541: and they owned it  
imacm: They didn't own it.  
imacm: It's illegal.  
ATLjoker541: No its not  
ATLjoker541: then WS would have shut it down  
imacm: WS isn't in business  
ATLjoker541: EA  
imacm: EA doesn't care.  
imacm: But, it's not possible to own illegal property.

imacm: That's not legal in itself.  
ATLjoker541: wow  
ATLjoker541: this is kinda gay  
ATLjoker541: The authors made thoes maps for the public  
ATLjoker541: and they did give permission  
imacm: They didn't all give you permission to put them on your specific site.  
imacm: Not every map is released under a free trade license.  
imacm: The SWmod thing doesn't help either.  
ATLjoker541: But who cares if im paying you it shouldnt matter  
ATLjoker541: Its all business remember  
imacm: Oh, it matters.  
imacm: I can't have someone of your nature getting us into trouble.  
ATLjoker541: ...  
ATLjoker541: then I will change my name from deadaim00  
imacm: That's not the point. We don't want you on our network period.  
ATLjoker541: Then why not my friend  
ATLjoker541: there is nothing wrong with him  
imacm: We don't want anyone associated with you either.  
ATLjoker541: Well why not  
ATLjoker541: he cant help it hes my friend  
ATLjoker541: I have alot of friends on renegade  
imacm: Oh, yes he can.  
ATLjoker541: so your not going to host SS, becuae im friend with SR and bigwig  
imacm: No, I'll still host SS.  
imacm:  
ATLjoker541: But im friends with SR and bigwig  
imacm: So, I'm not hosting SR and bigwig, I'm hosting SS.

ATLjoker541: man  
ATLjoker541: and I was so looking forward to having my own server  
imacm: You can still have one, just not with us, sorry.  
ATLjoker541: But you guys had the best prices :9  
ATLjoker541:  
ATLjoker541: Is it just your co-host that doesnt want me, or do you not want me either  
imacm: I fully support my co-host.  
imacm: So, I don't want to either.  
ATLjoker541: <http://www.renmaps.com>  
ATLjoker541: so is taht using all copyrighten stuff too then?  
imacm: That site is clean.  
ATLjoker541: ...  
ATLjoker541: How so  
ATLjoker541: we have the same stuff on it  
ATLjoker541: the maps  
ATLjoker541: same maps  
imacm: your site has leaked betas, stolen textures, and ripped images.  
ATLjoker541: so How the fuck is that site clean

ATLjoker541: ....  
ATLjoker541: How have we stolen textures...  
ATLjoker541: and ripped images...  
imacm: You didn't get permission, can you get that through your head?  
imacm: If you use in you need permission  
imacm: Written  
ATLjoker541: Neither did they  
ATLjoker541: renmaps didnt  
imacm: Yes, they did!  
ATLjoker541: NO THEY DIDNT  
ATLjoker541: they just put thier shit up  
imacm: You see, that's where it's different.  
ATLjoker541: omfg  
ATLjoker541: they didnt get written permission  
ATLjoker541: from every host  
ATLjoker541: err  
ATLjoker541: every author  
ATLjoker541: to use that shit  
imacm: But they're not violating copyright..  
ATLjoker541: How is thiers different from mine  
ATLjoker541: they didnt get written permission  
ATLjoker541: netierh did I  
imacm: They did on some maps.  
imacm: Look at spreegem on renforums, he always asks if he can include the map on his site.  
imacm: That's how it should be.  
imacm: That's legal.  
ATLjoker541: so you want me to ask every author for written permission  
imacm: No, I just don't want you on our network.  
ATLjoker541: ...  
ATLjoker541: you didnt have a problem with me before  
imacm: Yeah, but I didn't know you violated copyright numerous times.  
ATLjoker541: wow  
ATLjoker541: Thats so much bullshit  
ATLjoker541: thoes were made for the public  
imacm: Listen, I can repeat this a million times and you won't understand it.  
ATLjoker541: Tahts cuz its bullshit  
ATLjoker541: and doesnt make any sense  
imacm: Okay, I don't see a point in keeping this conversation alive.  
imacm: Goodbye.

And what does Deadaim00 have to say for himself? Nothing. Owned.

All of his supporters will hopefully notice that they were complete retards.
