I was just thinking about this and decided to ask on here. Does anyone in the renegade community keep a fish tank? Fresh or saltwater? I'm in the process of starting up a Saltwater tank so that's why I mention it. I was just curious. If you have em post up some pics of your tanks!

We have a fresh water tank(55gal)

I'll have to get a pic later of it but we have 1 clown knife a freshwater lion fish and arround 8 blue and yellow african cyclids. Like i said i'll get a pic soon. Also we are adding a needle nose gar when we get our 300gal set up.

I have....

10 gallon Dwarf Puffer Tank

10 gallon saltwater tank nano reef with various corals and anemones

10 gallon turtle tank

55 gallon community fresh water tank, currently cycling.

I don't have any pics but if you need help with your new tank just let me know and I would love to help.

It's bad enough you hijack the topic, but to quote the actual picture four times? :rolleyes:

You guys have too much Renegade on the brain.
