July 13 is a Tuesday :rolleyes:

Do you mean tomorrow, July 11, or next Sunday, July 18?

This afternoon, Sunday the 11th.
-and then, hopefully, once or twice a month.

Sorry, the 13th mix-up was mine, I was looking at the June side of the calander...

Can someone please get in touch with UNRules about resetting the server or giving the IP so we can direct-connect? I might not even be able to particepate because of that damned error.
