I'm working on my site, ask me again at the end of the summer.

You also need a better title then "<http://www.theoriginalmrbob.com>"

Terminator 101So why did you name this topic "YAY!" ?

Because it was almost 2 in the morning. Also, like a mentioned before, I worked hard on the redesign. I was celebrating.

And the reason I have theoriginalmrbob.com is because all the good mrbob domains were taken.

Oh by the way, would anyone like to have a free weblog?

Are you talking to me? If so, what templates are you talking about?
