Problem in Database Connection

This Website is powered by a piece of shit

Although this site is running the piece of shit software
it has no other connection to the piece of shit Developers.
Please refrain from sending messages about this site or its content
to the piece of shit team, the end will result in an ignored e-mail.

I got this error from trying to connect to a website and i laughed my ass off for so long.

this one is really old too ... I bet you've all seen it already
http://www.coxar.pwp.blueyonder.co.uk/

Still quite funny though ^_^
