W00t.

I don't know why I'm posting this in politics rather than GD, but I figure after about 5 posts it'll need to be moved here anyways, so I'm saving the mods the trouble.

Lol, the last time Bill O' Reilly called for a boycott of France, their economy actually increased, but he always cited a fictional magazine that kept saying it was worse.

BTW, no offense or anything meant, but why are those bumper stickes awesome? Am I missing something?

Dude, "Guns don't kill people, kids who play video games kill people."

I'm sorry, but if you don't realize why that's fuckin hilarious, you weren't playing attention when Columbine went down.
