I read it a while ago, and actually managed to find a web page dedicated to it.

Amazing how searching for something completely different will pull up results like this..

Bored of the Rings

Jesus christ its not even remotly relavent either Sw33tSOul...

I think it's time for, Humerous Picture Posting 101

Please take your seats.

Now, when someones flaming someone or they happen to be Flaming.

A picture like this may called for V

Now, it is important that the humerous picture you post is:

- A. New
- B. Funny
- C. Not  $6.02 \times 10^{-23} \times 2.88 \times 10^8$  in Size
- D. RELAVENT

Above was an example of relavancy. Fire for Fire.

Incase you are having trouble taking an objective stance and looking at your posts from our point of view. This is what they look like.

I bet it's cheaper than paying for gas!

Hey it's me Doitle again, can you spot the problem AlostSOul?

It really has nothing to do, with ANYTHING. The topic, or just anything in general. By maintaining coherance and keeping your focus on the topic, you do a service to your forum, your country, and your planet.

Practice Coherent Posting.

Doitle has proven his point beyond all possible points to prove.

Back on topic, act like none of these posts from mine and up even existed.

After Reading a few parts of the pardody on the website, I must say. Maybe it was funny in the times the books were made, or it's just me. But I don't find it funny.

Warranto you have actually read it, is it any good?

Yes I have read it. A number of years ago. If you enjoy parody humor, then you'll love it. You don't HAVE to know the Lord of the Rings story, but you will get more of the jokes of you do. Knowledge of the time period it was written in also helps.
