I've started my own clan, \*H2O\* Hard 2 Own.

If anyone is interested in joining, just ask and we'll play to see if its possible. I want this to be a serious clan, but play as many games as possible.

The other H2O hasn't played for so long that they don't even exist on clanwars. EDIT: My bad, they do play quite often on GSA i guess, oh well

We're the new and improved H2O (Hard 2 Own), and we're here to stay! If the old H2O wants to challenge us then bring it, cause there's only room for one H2O around here. :twisted:
