I gave <http://www.conquergaming.com> the best ones before Ammo shut down. The rest are gone.

Can you send this file to my Gmail account? If you can I'll send you a gmail invite when I get one. If you don't have one. Please try to send this to me, as this would make my day.

Edit: glyde51@gmail.com is the one, lol.

I thought that the quote was

are an idiot

With about 1000 quotes of that quote.
