Ok, i install my renegadeFDS, i set up all my stuff for brenbot, now how do I get it to work? I open my renegade server console, i have my brenbot console open, are they just suppose to work togther? cause it doesnt work on my server. please help, oh yeah, and can some one help me figure out how to set up remote admin.

Thanks!

Look at the date of the last post. It was nearly 2 months ago. That's probably why it doesn't work anymore.
