His guady Kerry banner reminds me too much of SuperFlyingEngi, so I'm with Hydra1945. ;P

unfortunatly, for him to be a hypocrite, he would have to be displaying a banner that would remind him of Pak

Seeing as how both Pak's and SuperFlyingEngi's banners are both gaudy and obnoxious, for him to demand one be taken down is indeed hypocritical.

What part of the sentence "and replace it with a different one" don't you understand?

Now if he had stated to take it down simply because it was "gaudy and obnoxious", then in order for him to be called a hypocrite, one condition must be fulfilled. He must think is OWN banner is "gaudy and obnoxious" as well.

Man, I had no idea... I guess all political banners must be "gaudy" and/or "obnoxious."

At the risk of being "gaudy," I post this for your approval, Hydra. I hope it meets up to your standards, although since it references John Kerry, I'm sure it does not. ::

Political banners have no place on a forum... seriously, it's not like you're going to draw voters HERE.
