Phil162nice sound effects

Glad you guys like it.

If you listen closely, you'll notice that the only sounds you hear are the radio commands, explosions and repair guns. That's because I recorded the video without sounds, then added the sounds back in during the editing. I did that so I could accentuate only the sounds pertinent to the video itself.

ROFL1!!!!

I didn't know you recorded all your games? lol

well, we won that one in the end lol.. even when we lost the ref and hon hahaha fun!
