omfg noes daed links?!?!

<http://www.frankklepacki.com/>

You can't download it but you can listen to it here for free along with all his other music in C&C

Ooooh look. I helped someone. And all it took was a little copy paste

If you use IE, it will automatically save it or something, you can then play it again. Terrible security.

I guess that would be C:\Documents and Settings\<<account name>\Local Settings\Temp

Under XP, at least.

It doesn't save as any readable format. It's not bad security at all.
