H2O sucks.

Karmai's a n00b. I ask him for a 1v1, and of course he HAS to host. I told him I wanted field and auto sides but of course, he HAD to choose gdi instead of doing what I asked him. Then, when I buy my arty and get blue screen he OBVIOUSLY doesn't shut down, because he may actually win this way! Then I leave and he bans me from ts, WHAT A COOL GUY.

GSA. Since i already know the kind of people that you have on your clan. First make sure that your clan members are able to Download GSA if they don't have it and then to log on. K? . Get me back with an answer to set this up.

If GSA had a reporting clan ladder that worked well I would play on it.

Whisky GSA has soo many more clans that play, but no good ladder.

I dont think everyone is registered on GSA c0dy sorry
