Tom Delay is decidedly the sleaziest guy in the House right now (Yes, I thought that before his four official ethics violations.)

All but five Republicans in the House of Representatives have accepted donations of his dirty money. Those five are Rep. Rodney Alexander, R-La., Rep. Rob Bishop, R-Utah, Rep. Tom Osborne, R-Neb., Rep. Todd Platts, R-Penn., and Rep. Billy Tauzin, R-La.

Are you being represented by a House member who's accepted Delay's sleazebag money? Find out how much they've been taking here.

If your representative has been taking bribe money, be sure to call them tomorrow and tell them to give it back.

Are you opposed to Delay? Help remove his slimy wallet from the House here.

I saw a thing on CPAN the other night about him...it was a group of congressmen, both democrats and republicans, speaking out about him. Apparently he has been smacked around by the ethics board a few times. I dont know all the details but those people had some very harsh words about him...If that was broadcast on network TV so that everyone saw it he would be gone.

Why Delay when you can act now?

I wouldn't worry to much about him, he's most likely a procrastinator.

He took to long to act, that Delay got him caught.

Ok, enough name jokes for now.
