Happy Thanksgiving All

If you plan to travel, drive carefully and arrive alive. If you don't celebrate it, Happy Day anyway

You like the snow? I absolutely hate it. It seems that I'm always cold, and in the winter it just makes it that much worse. Doitle, you know how bad the storms are off of Lake Michigan. It's been snowing all day and now I have to go shovel it later.

Michigan winters always seem to suck. Winters in Michigan seem to be 1 1/2 seasons long. It's like Fall is half the season, and then winter takes on through even the first couple weeks of Spring. It's really annoying for somebody who's always cold like me.
