<http://www.n00bstories.com/image.view.php?id=1247212828>

I keep getting that now. I didn't have that before and i also didn't do anything to my connection.

Edit: i got in now but it comes up at random, anyone know why?

Lol.

If i turn off that stuff hackers can walk in and out 24:7.

I get hacked about 10 times a day. So without security my pc... would be... ?

That message says that it could not connect to a renguard server.

All servers were full, missing one server. Fixed it.
