Search for stylemgr.ini in your data folder.

Search for these lines: (I changed it so I don't remember the original font)

FONT_INGAME_TXT=

FONT_INGAME_BIG_TXT=

FONT_INGAME_SUBTITLE_TXT=

FONT_INGAME_HEADER_TXT=

And replace them by :

FONT_INGAME_TXT=Arial, 8, 0

FONT_INGAME_BIG_TXT=Arial, 16, 0

FONT_INGAME_SUBTITLE_TXT=Arial, 14, 0

FONT_INGAME_HEADER_TXT=Arial, 9, 1

If you bothered to look at the sticky at the top of the BHS Core Patch 1 you would of found out how to change the font back. :rolleyes: waste of a topic
