What moron is going to give you their username and password? If there are people stupid enough to do that, then may the Lord have mercy on us all because that is just truly pathetic.

Bump.

The stupidity of this guy continues to amaze.

Yes, that's right, the fact LIGHTSIDE is rank 1 is because we have "the boss of EA" in our clan. Nothing to do with our 100+ wins 6 losses in the space of three weeks :rolleyes:

OMG!! L1K 7074L 0VN4G3 7H3R3!1!!1!!!!1!

What a dumb fuck, if the EA boss was playing Renegade we would all have Renegade 2, 3, 4, 5, and 6. If your stupid enough to give this guy your username and password, you should go touch yourself.

Do the smart thing: Join The Trielite. If you don't know how to sign up, I tell you how.

Not only that, but The Trielite doesn't have those gay ass rankings, all members are of the same rank: <http://www.upeo.tk>

lol, I rained on this guys parade.

When making clans I have people give me there passwords and nicknames, It prevents people from getting my clan password then quiting and giving it out to everyone. If the clan leader can be trusted there is nothing wrong with that.

Of course this was years ago when I played in clans.

1. Get Someone To Join Your Clan
 2. Tell Them The Join Password
 3. Wait Until They Have A Name In The Clan
 4. Change The Join Password

Wow, you really are an idiot. You make a retarded topic and get owned for asking people's passwords. Then Spoony exposes even more of your stupidity. The forum members laugh at you, and then you dare post in here again? A new low has now been reached.
