Hiya renguard comunity

me and my friend TFW0wNaG3 have a problem with renguard
He is staying here now for the weekend and i go often go to his house but the problem is we only have 1 computer.. So we switch after a game But if u switch on wol renguard is still loged in on the fisrt nickname.. So we r getting that stupid admin msg and yesterday somebody thought i was cheating and het did !rg but rg was still on TFW0wNaG3..

So my request is if their comes a new version of renguard is it possible to make somthing that if u switch nickname on wol that renguard switches nickname also..

GreetZZ
