This is a "nice" way to make money; as long as you clearly state it's a picture you're not even doing anything illegal. And I don't even consider that fine print, it's normal 12pts font. Not to mention he says several times it's a picture you're bidding on

Actually, on this guy's site, he said that his conscience got the best of him, and he returned all but \$20.

Why? He went out to prove a point, and did so. People are idiots. The guy lost \$20. I think that's pretty nice seeing as he could have lost his whole \$159.

Lol...

I really don't see how people could look through that and not notice how it says "picture of..." when referring to the merchandise. It was clearly stated everywhere on that page, he could seriously get away with that and sell other pictures.

Quote:PICTURE USED XBOX 5 GAMES 2 CONTROLLERS 1 MEMORY CARD

Quote:You are bidding on a perfect picture of a used XBOX ENTERTAINMENT SYSTEM. The picture includes 1 (one) used XBOX with all necessary power/audio/video cables, 1 (one) standard XBOX controller, 1 (one) additional controller, 1 (one) XBOX memory card, and 5 (five) used games - Mortal Kombat: Deadly Alliance, SSX3, Tiger Woods PGA Tour 2003, Tony Hawk's Pro Skater 3 and Tony Hawk's Underground.

Quote:Here are some reviews of the games included in the picture:

Quote:You can't find this picture of these combined items anywhere else!  
This is a great picture of an excellent Xbox collection!

Quote:Item/Shipping Info:

Shipping for the picture is \$0.01 because eBay won't allow "free" shipping. Once I receive payment, I will e-mail you the picture ASAP. I can ship to ANYWHERE in the world for this auction. I will only accept PayPal for this auction. Cash, checks, money orders, etc. are NOT ALLOWED AT ALL. Item must be paid in US currency. You are bidding on a digital picture. The picture size will be 1280x960 and will be sent via email. I will include all test pictures that were taken for this auction as well. Any other questions or concerns, please contact me.

He clearly stated it was a picture he was selling what, about 10 times, and people actually bid \$50-150 on it? lol It's amazing how stupid people can be.
