Remember, it's I, not i.
Remember, it's your, not ur.
Remember, it's banz0red, not banzored.
Remember, it's IDK or I don't know, not idk.
Remember, it's I'll, not ill.
Remember, it's message, not msg.
Remember, it's you, not u.

Have some self-respect and post like you didn't just graduate from first grade.

In addition...

Remember it's Renegade, not renegade.
Remember it's a period and then a space at the end of a sentance, not on..i got etc...

and finally
Remeber it's Private Message not New Topic.

AircraftkillerRemember, it's your, not ur.
In the context he used, it'd be "you're," not "your."

No. "Your" indicates possession, as in "your car": the car which belongs to you. "You're" is the abbreviation of "You are" which is true in this instance.
