Me being chased by a yeti >_>

Any pranks to play on the people I have to share a hotel room with (school trip)?

Wear like 5 pairs of shorts. I fell on my ass so many times. And just my luck I kept falling on the hard, icy parts. So my ass was in pain for like 2 weeks after. I couldn't even sit down properly.

This was over christmas btw, I went snowboarding.

Assuming you're going somewhere in Manitoba: Where a little bit more than you need in layers so you can take off what you don't need. I've been to Minnedosa twice and I learned that when you're going down the hill, IT GETS DAMN COLD! Also try not to go too, too fast on your first couple tries (assuming it's your first time).

Hope it helps.

Manitoba Temperatures are Freezing right now [/Off topic]
