Wow, very intelligent, why bother posting this if you don't even have a name for it yet?

because the name isn't uber-important?

the only thing important in the clan is who's in it and do they play regularly.

thanks spoony!

The clan is called [RIS] Revenge Is Sweet
<http://www.ris-renegade.tk>

The leader (me) has TONS of experience with clans and renegade. I started =FA= which was later (and currently) known as =EA= since FA formed with ED making ea.. anyways I left because my coleader and friend fucked me over, took away both server owners by turning them against me, and now he runs it..

So I'm starting again, and hopefully going to challenge EA to a massive clan war and destroy him.

Interested? post on <http://www.ris-renegade.tk>

I suggest [LOL] as a clan tag. It stands for Laughing Out Loud.

OR I suggest [DUM] As a tag, cause that's what you plainly are.

Zing!

What's funny about your "zing" is that you spelled dumb incorrectly.

I'm interested in joining the clan if it's not too late. I'm a really good player and up to the challenge of a tryout if that would be possible. Just tell me the time and place. I'm a good defensive player and a strong attacker if you wanted to know. PM me when you decide.
