This is a competition for the "Best Caption" for the image I am posting. Crimson is the overall JUDGE and there will be a prize by Crimson for the best caption.

The rules are as follows:

1. You have to make a \$1.00 donation donation to Crimson (Christine, n00bstories.com or renegadeforums.com) for each caption entered. All non-paying entries will be deleted by Crimson or myself (you can make more than one entry). The competition will run for 1 month starting today.
2. You can post your opinion on the Caption entries made by others and all non-related posts will be deleted.
3. Please don't keep re-quoting the original image / post. Copy the image and edit your captions onto image and re-post your entry by using the image uploader in your images folder or linking to an off site place of your choosing, as long as the image is visible.
4. The competition has been posted in n00bstories and renegadeforums.com and the overall winner will be announced by Crimson.

Good Luck All...

Here is the Image for the competition -
