Just incase any of you havent noticed: I, TMSnipR, haven't beel playing Renegade since I moved house about half a year ago. Not as if any of you will have noticed

Thought Id say a few things before I left you all for good:

1) I have never cheated on Renegade, during the good AND the bad times. Despite being accused of it many times.

2) Im looking for a career in computer games programming. If any of you know someone who knows someone, give them my hotmail n msn email - pjtheman at hotmail dot com. Want to get into the biz, if any of you can help then id really appreciate it...

3) Almost 16 now, got mi National Insurance card 3 months before birthday...

4)Doing well in my GCSEs. A range from A* to C in my mocks. The A*'s are for Electronics and ICT, and I got an A for Maths, so, yes you who were thinking it, im officially a nerd, geek n a tw@t, n probably many more words too ...

Look forward to a lot views and posts...

TMSnipR, AKA - Pjtheman, PSCoder... [The list grows, its a habit]

There should be a 500 post requirement for the "Im out" thread.

Well most of you don't remember him b/c you have only been here a few months...and please stop commenting on peoples sigs in threads, if it is that important just pm them, and instead of making another topic saying " I'm out" I will just state that my posting will become less frequent...(wasn't ever greatly freq. but w/e)
