Man i get this following message from renguard

```
21:05] Trying to connect to server #1...Connected  
[21] Server is not responding. Trying next one  
[21] Trying to connect to server #2...Connected  
[21] Server is not responding. Trying next one  
[21] Trying to connect to server #3...Failed  
Unable to initialize network, perhaps your firewall is incompatible with RenGuard
```

But i dont change nothing on my firewall what can i do, i would play RENEGADE

Run C:/Westwood/Renegade/game2.exe and it will
work without rg.
