Who was that guy who was selling those sculpted game logos? He made that NOD obelisk too.

I have a project for him.

Dude, just shut the fuck up. It wasn't meant to be an attempt to say "n00b" in a stupid way. Neither was it meant to be insulting. It was just me doing some random act of stupidity.

I say NOD, it makes more of a reference to the term i want.

If i say Nod as in "I simply nod in agreement" just seems wrong.

If it's a fetish, then so is your insistence on getting upset over it.

Uhh... The only reason one would say "nub" in a gaming community in the terms you used is an attempt at saying a retarded form of n00b.

Nod = NOD

Even if you say it has to be Nod, look at the Renegade FDS Server, and how it outputs Nod, it says NOD. So surely, both terms are correct,

We're dicks! We're reckless, arrogant, stupid dicks. And the supporters of ACK are pussies. And AircraftKiller is an asshole. Pussies don't like dicks because pussies get fucked by dicks. But dicks also fuck assholes. Assholes that just want to shit on everything. Pussies may think they can deal with assholes their way. But the only thing that can fuck a asshole is a dick, with some balls. The problem with dicks is they fuck too much or fuck when it isn't appropriate. And it takes a pussy to show them that. But sometimes pussies can be so full of shit that they become assholes themselves. Because pussies are a inch and half away from assholes. I don't know much about this crazy crazy world, but I do know this. If you don't let us fuck this asshole we're going to have our dicks and pussies all covered in shit.

got team america was too south parkish personaly. lol tis funny but there are somethings in this world u just cant unsee.... lol hope i didnt make you too stupid, btw here is the real quote.

Quote:See, there's three kinds of people: dicks, pussies, and assholes. Pussies think everyone can get along, and dicks just want to fuck all the time without thinking it through. But then you got your assholes, Chuck. And all the assholes want us to shit all over everything! So, pussies may get mad at dicks once in a while because pussies get fucked by dicks. But dicks also fuck assholes, Chuck. And if they didn't fuck the assholes, you know what you'd get? You'd get your dick and your pussy all covered in shit!
