Quote:"pwn": A typo-deliberate version of own, a slang term that means to dominate. This could also be spelled "0V/n3d" or "pwn3d," among other variations. Online video game bullies or "griefers" often use this term.

omg I R OnL1N3 BU11Y!!!!!!11!!!!11one!!11!

ph34r my 1337 skillz!!!!!!

Quote:"Mom is very responsible," said Susan Shankle, a South Carolina-based therapist who counseled the family, which requested anonymity. "She just didn't know the language."

Quote:cryptic language often spoken by cell phone text message users (r u there?)

Question: What IQ do you need to figure out that "R" = "are" and "u" = "you"?

Quote:The following is a sample of key words that haven't changed fundamentally (although variations occur) since the invention of leetspeak. The first series is of particular concern, as their use could be an indicator that your teenager is involved in the theft of intellectual property, particularly licensed software.

Haha. Good old Microsoft. I'm sure that's what parents are really worried about... not paedophiles using the internet to prey on their kids.
