awhile ago RG started shitting itself (window not showing up)

so i reinstalled & now RG is trying to download CP1 all over again =/

ive got it disabled at the mo, but anyone know how to make RG not download CP1 when i already have it? >.<

Do this

Start > Run > regedit  
Browse to HKEY\_LOCAL\_MACHINE > SOFTWARE > RenGuard  
Right click PatchVersion > Modify  
Set it to 1

-np Nightma

HEY ALL! I GOT A PROBLEM AND I NEED YOUR HELP!

I installed the RenGuard to play on Renegade with RenGuard servers. But the thing is when i want to install the Core Patch 1, It disables the "INSTALL" Button. Please Explain why.
