How is that "owned"? Whiskey is absolutely right. The best and quickest way to get a clanmatch is to go into the chatrooms and say "4v4?" (or however many you have)

RenForums.com Your center for Clan talk, Clan recruiting and a place to dish out the Clan challenges.

I didn't really own anyone, I'm just stating what the forum it for. Besides, why are you here if you think it's for recruiting only? You're in a clan.

When did I say it's for recruiting only? I wouldn't recruit here, I don't mean that in a bad way

Alright Alright Break up, Break it up take it easy.

There just tryin to get people to use there forums witch FYI never works in renegade because theres not enough people that play it.

He is right the best way to get a clan game is threw the chat rooms or if you want to schedule a big game just use msn or email.

A clan forum is kind of a waste of time.....

MUHAHA, the CWs born in the Westwood Chat are mostly those small and ugly Snipe-CWs...BRR

If man want a classic and big AOW-CW, things MUST be scheduled approx. 1 week in advance to get the whole clan coordinated....

And phrases like "you don't know who I am" I hate it. I really hate it. Man this sucks, you are a human, even Admins are only humans OK? Nothing higher or lower. -This isn't a personal offense at you, but you are the one at the moment who brought it in-

BTW, wouldn't plan a CW in this topic here...

wow what version of ren are you playing, because in the chatrooms you can just say "+FE+, game?" and be playing within thirty seconds.

Partially you're right Spoony, but in my Clan there are not all members online at the same time everyday...so how am I be able to start a 20v20 AOW, if there are only 6 Clanmates present in the WOL chatroom?

Some go to school, some like me go to work with different times we got off....this must be coordinated I think.

You and I both know you will never play a 20v20, but in the event that you do get 20, I will gladly 20v10 you.

And as for having to schedule a game.... Imfao I love when noobs open thier mouths, makes the conversation so much more funny.

I already had a 15v15 Funwar few weeks ago, so a 20v20 would be possible. In worst case, you can ask WN, they have enough members
