DJMrock > trance/r&b/hardhouse/general chav music crap mixed by dyslexic chav thickshits with no GCSEs.

So because I can mix those music types, does that mean I'm a thickshit? My GCSEs were all As and Bs and Cs.

zunniea link to the song, and I wrote:

Thanks a lot,

also I like the level but the spawn points in relation to the purchase terminals are messed up, as

you have to suffer many deaths under people with high class soldiers till you could spawn near enough your PT to buy something. There's a good place in it for 1v1 fights, though
