Does anyone know where I can find that mentos commercial where the kid gets the rifle and shoots the kid that stole his trading cards?

You will have a hard time finding them for free.

I have some good connections in the commercial industry...I'll try and get a username/password to <http://www.ecreativesearch.com>

I've been in there before, and they have practically every commercial in there. I want to get some Guinness commercials myself.

I'm not sure if it was a real commercial so much as a spoof
