There's Dead6.net

CnC Commando (Doesn't get updated at all though, I'm starting to wonder...)

It's not exactly supposed to be a recreation of renegade. Just read about it on the above site.

glyde51Commando (Doesn't get updated at all though, I'm starting to wonder...)

Currently only I and Genocide (isn't online much though) are the ones actually working on the mod at the moment. Rest of the team is busy doing other things.
