I bet that AssCrackFiller will make his usual comment about how it's a skin, not a texture and turn this thread into a total flame war.

Anyway... <http://www.renegadezone.com/site/> should do fine.

EDIT: Looks like the troll got here before I did... shame.

He doesn't live in bizarro world , He can call what he wants when he wants. Like people call you an asshole, I'm sure you see that as wrong (In some twisted way) , But he can do it.

You might aswell shut it. It's getting really anoying.

AircraftkillerIt's not my fault you live in the bizarro world where wrong is right, and right is wrong!

slang P Pronunciation Key (slng)

n.
A kind of language occurring chiefly in casual and playful speech, made up typically of short-lived coinages and figures of speech that are deliberately used in place of standard terms for added raciness, humor, irreverence, or other effect.

Language peculiar to a group; argot or jargon: thieves' slang.

'Skin' is slang for 'Texture'.

AircraftkillerEXdeath7It's getting really annoying.

anoying.

stfu. You say you wanna stay here until it closes down because you've been here since it opened... All you really want is braggin rights in the future.

I'm gonna laugh the day you post that you were one of the original members on renforums and someone snaps back at you saying that ya you were the most annoying fucktard this forum has seen since hl2 came out.

If you coming here anyway why the hell don't you post something usefull.
