Ok, my maps are starting to load very very slow. Anyone have the same problem, or know how to make them load qucker?

And by slow i mean people have apc money by the time i finish loading, and im am running on a good connection.

Caused by

1)Internet connection (cable maybe?)

a)fanmaps.net also has the Core Patch 1 maps that are edited so that they load faster.

2)Spyware :\

3)Viruses

4)Insufficuent Ram/Processor consumption
